

# Visitor Exit Motivation Survey

2011 REPORT

The Visitor Exit Motivation Survey (Vems) reports were written for the years 1994, 1995, 1997/1998, 2009 and 2010. The enhanced collaboration between the Bureau of Statistics and the Ministry of Tourism, Industry and Commerce promises to result in more frequent reports on the visitors' perception of the Guyanese tourism product. Further reports are planned for publication on a quarterly and yearly basis.

## 1. SURVEY HIGHLIGHTS

The Visitor Exit Motivation Survey (Vems) reports were written for the years 1994, 1995, 1997/1998, 2009 and 2010. The enhanced collaboration between the Bureau of Statistics and the Ministry of Tourism, Industry and Commerce promises to result in more frequent reports on the visitors' perception of the Guyanese tourism product. Further reports are planned for publication on a quarterly and yearly basis.

## 2. SURVEY OBJECTIVES

The main objective of the survey is to provide timely information on Guyana's tourism product. Such information would help the major participants in the tourism sector to better plan its development. In addition, the Bureau of Statistics would use this survey to construct a time series data base on important tourism variables.

## 3. METHODOLOGY

The Bureau of Statistics has trained enumerators stationed at the Cheddi Jagan International Airport, Timehri, where the sample is derived from cooperating departing visitors. Respondents are canvassed from most departing flights on a daily basis.

Overseas residents were defined as visitors if they stayed in Guyana for more than one night and less than one year. Citizens of Guyana living abroad were also regarded as visitors. Since only one person per family or spending party was asked to complete a questionnaire on behalf of the party, the actual volume of respondents represented is higher than the number of completed questionnaires.

For the period January to December 2011, 11,067 visitors participated in the survey. This represented a 7 % sample size for the year 2011 (Table 01).
